

Danish solution on pelagic bulk landings

Location: Axeltorv 3, Copenhagen V, Denmark
Date: 21st April 2023
Time: 9.30-14:30
Facilitator: MID

On April 21st, Marine Ingredients Denmark will host its workshop about the “Danish solution on pelagic bulk landings”. At the workshop, the handling of weighing and requirements of species sorting for landings and deliveries to Danish fishmeal and fish oil factories will be presented and discussed with stakeholders from industry and administration.
